SUPPLEMENTARY INFORMATION:

I. Abstract

The Public Wireless Supply Chain Innovation Fund (Innovation Fund), authorized by Section 9202(a)(1) of the *William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021*, Pub. L. No. 116-283, 134 Stat. 3388 (Jan. 1, 2021) (*FY21 NDAA*) and appropriated by Div. A., Section 106 of the *CHIPS and Science Act of 2022*, Pub. L. No. 117-167, 136 Stat. 1392 (Aug. 9, 2022) provides funding for efforts that accelerate the development, deployment, and adoption of open and interoperable radio access networks (RAN) through a competitive grant program. NTIA will be publishing the program's Notice of Funding Opportunity (NOFO) at www.grants.gov to describe the requirements under which it will award grants for the Public Wireless Supply Chain Innovation Fund. The NOFO requires award recipients to submit a Baseline Report 45 days after grant award. Award recipients must follow the reporting requirements described in Section A.01 Report Requirement of the Department of Commerce Financial Assistance Standard Terms and Conditions (dated November 12, 2020). Additionally, in accordance with 2 CFR part 170, all recipients of a federal award made on or after October 1, 2010, must comply with reporting requirements under the Federal Funding Accountability and Transparency Act of 2006 (Pub. L., 109-282).

NTIA will use the information collected from each award recipient to effectively administer and monitor the grant program to ensure the achievement of the Innovation Fund purposes and account for the expenditure of federal funds to deter waste, fraud, and abuse.

II. Method of Collection

Public Wireless Supply Chain Innovation Fund

The Baseline Report is a one-time collection of information from award recipients covering project plans and details about key outputs and outcomes that will be due within 45 days of the issuance of the award. NTIA will collect data through an electronic submission.

IV. Request for Comments

We are soliciting public comments to permit the Department to:

- a) Evaluate whether the proposed information collection is necessary for the proper functions of the Department, including whether the information will have practical utility.
- b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.

c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected.

d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Sheleen Dumas,
